

Sparsa Resorts at Kanyakumari is value for money

■ "Sparsa Resorts at Kanyakumari is focussed on offering good, value for money accommodation. With the destination being highly popular with pilgrimage and leisure tourists, our hotel is ideally suited for travellers looking for decent and comfortable accommodation equipped with all modern amenities," said **Sumeet Bhatia**, corporate manager - sales & marketing, India, Sparsa Resorts.

The hotel is located at Kanyakumari, overlooking

Built on three acres of land, Sparsa houses 46 double bed rooms and two luxury suites

the confluence of the Bay of Bengal, the Arabian Sea and the Indian Ocean. Built on three acres of land, Sparsa houses 46 double bed rooms and two luxury suites. Its other facilities include a multi-cuisine

restaurant, a well equipped bar, conference facilities, health club cum massage centre, tennis court, pool table, Wi-fi connectivity,

swimming pools and wide lawns, among others.

"All the rooms have photo catalytic tiles coated with titanium oxide which reduces airborne pollutants and bacteria by around 70 per cent depending on atmospheric and light conditions," informed Bhatia.

The property is promoted by Auromatrix Hotels, a company with a successful track record for advising, providing technical consultancy and implementing more than 20 hotel projects in India.
